**April Showers Bring May Flowers!!**

The early flowers are blooming, grass is starting to green, could it actually be Spring?? Although the weather is spring-like, now let's hope it carries on through the month. Students and staff at school are busy with lots of exciting events to finish out the year. Track meets, golf meets, science fairs, FFA & FBLA State Conferences and music concerts, State testing, Honors Night, and some are even looking forward to Baccalaureate and Graduation.

It has been another exciting year at Newman Grove Schools! I look forward to wrapping things up with our students and staff and sending them on their way to an enjoyable summer in May.

With iphones and social media being such a part of our society, I thought it might be helpful to include this article, so adults/parents/guardians could have some helpful information.

NECC Scholastic Contest

On Wednesday, March 20<sup>th</sup>, Ms. Schmedding and Mr. Barnes took 17 students to Northeast Community College to compete in the annual Northeast Community Scholastic Contest/Quiz Bowl. Student's participated in many different subject areas ranging from Medical Terminology to Agri-Science. This year's quiz bowl team coached by Mrs. Amen, lost in the first round. The day provided many opportunities to try different activities throughout the day, while they were waiting for tests or done taking them. Karaoke and the game room were the most popular areas between tests and before the award ceremony. Medals and points were given to the top three places in each test. This year we had two students place in the top three: Tyson Haddix placed 2<sup>nd</sup> in Medical Terminology and Taylor Matz placed 3<sup>rd</sup> in Chemistry. Abigail Pohlen was one spot away from a medal in Anatomy and Physiology placing 4<sup>th</sup> and placed 5<sup>th</sup> in Biology. Brady Sokol placed 5<sup>th</sup> in Auto Technology. Sarah Johnson placed 7<sup>th</sup> in Vocabulary, David Plugge placed 6<sup>th</sup> in Personal Finance, Isaac Potmesil placed 7<sup>th</sup> in General Science, Dominik Cuevas placed 6<sup>th</sup> in Computer Literacy, Leighann Miller placed 8<sup>th</sup> in Basic Construction, and Maddison Steffensmeier placed 8<sup>th</sup> in Administrative Professional. Newman Grove placed 19<sup>th</sup> out of 32 Class D schools.

Students that participated in contests were: Cheyenne Cleland, Domink Cuevas, Tyson Haddix, Sarah Johnson, David Plugge, Matthew Rast, Brady Sokol, Maddison Steffensmeier, Mariah Dubas, Taylor Matz, Leighann Miller, Abigail Pohlen, Emma Montoya, Leah Rast, Elyssa Cuevas, Jayson Johnson, and Isaac Potmesil. Quiz Bowl members included: Tyson Haddix, McKenna Haase, Emma Montoya, and Isaac Potmesil.

The 2019 Scholastic Contest was a very successful day for our students. It was a good experience for all participants as they competed and tested their knowledge in subject areas, while gaining the college experience of moving from building to building and finding their test rooms.

*Newman Grove Preschool*

Planning for the eleventh year of Newman Grove Preschool is underway. For those who have children entering their second year of the program, we hope that the first year was a great experience for your child. We welcome any comments or suggestions you may have to improve the program.

A few notes for the 2019-2020 program:

- The preschool calendar will be set to follow the regular school calendar as closely as possible in regards to dismissal times, vacation days, etc. Projected start date is August 19.
- The time schedule will be 8:00 – 11:30 a.m. for the morning session and 12:00 – 3:30 p.m. for the afternoon session. The two groups will eat lunch separately. Lunch will be provided, but families are asked to fill out the free/reduced lunch application when the forms come out in the school calendar.

Transportation will once again be available to rural students. Morning session students may receive transportation to school on our regular morning route. Afternoon students may receive transportation home after school. Additional transportation home for morning session students and to school for afternoon session students may be provided based on availability of drivers.

Application Process: If you have not already been contacted, parents/guardians are asked to please stop at the Newman Grove High School to pick up the necessary paperwork for their child. If you have any questions please call 447-6294 from 8:00 a.m. – 4:00 p.m., Monday through Thursday and 8:00 a.m.- 3:00 p.m. on Fridays.

Ms. Cassidy will require the following items:

- Completed Application Form
- Proof of Birth: State birth certificate (raised seal only)
- Child's current immunization record, including documentation of varicella and Pevnar (PCV)
- If applicable: documentation of your child's disability (MDT and/or IFSP/IEP)

## NATIONAL HONOR SOCIETY INDUCTION CEREMONY

By Shelley Dunlap

The Newman Grove Chapter of the National Honor Society held their annual induction ceremony of new members on Thursday evening, March 21st. Sarah Johnson, president of the chapter, welcomed those in attendance. Present members explained the Honor Society's traits, Abigail Pohlen on scholarship, Brady Sokol on leadership, Tyson Haddix on service, and McKenna Haase on character.

The evening's guest speaker was Alisha Dunlap. She graduated from Newman Grove High School in 2012. She was involved in a variety of activities, including: Volleyball, Basketball, Drama, FFA, ISR FBLA and FCCLA. After graduating, Alisha attended Wayne State College for two years after receiving the RHOP scholarship. She continued her education at the University of Nebraska Medical Center (UNMC) at Lincoln where she graduated in 2016 with a Bachelors of Science in Nursing. Alisha talked about working hard, taking risks, and picking a career you love. She is currently a Critical Care Registered Nurse at Creighton University Medical Center-Bergen Mercy in Omaha and works as a bedside nurse as well as serving as an interim assistant coordinator for Bergen Mercy's Biocontainment and Emergency Preparedness teams. In her downtime away from the hospital, she is a Youth Leader at her church.

Congratulations to the new inductees of the organization: Cheyenne Cleland, daughter of Karen Cleland and Emma Montoya, daughter of José & Amy Montoya. Advisor Shelley Dunlap and Principal Darrell Barnes presented the new members with their certificates and membership pins as they signed the member registry.

Current members include Tyson Haddix, son of Tyson & Ginger Jorgensen and Shelly Haddix; Sarah Johnson, daughter of Jay & Shirley Johnson; Brady Sokol, son of Scott & Joan Sokol; McKenna Haase, daughter of Tom & Nancy Haase; and Abigail Pohlen, daughter of Michael & Dawn Pohlen.

The ceremony concluded with the reciting of the pledge and a reception honoring the new members.

## FFA Officer Highlight

Abigail Pohlen

2018-2019 Student Advisor

**Favorite Ag Class:** Animal Science

**FFA Activities & Contests:** Envirothon, Agriscience Fair, Nationals.

**Favorite FFA Memory –** Mrs. Sweeter holding my hand while I was giving blood or going through the escape room with the officer team.

**How has FFA made a difference in your life? –** If it wasn't for FFA, I wouldn't have found my passion for areas like water quality. It has taught me to be a better leader and I have gained many great experiences. FFA has allowed me to meet many new people and help figure out what I want to do later in life.

## FBLA State Leadership Conference

By Tim Rossow

Six members of the Newman FBLA (Future Business Leaders of America) chapter attended the State Leadership Conference in Omaha April 4-6. The students participated in a variety of business competitions. Dominik Cuevas also competed in the Job Interview competition, which is open only to seniors. Dominik received feedback which will be helpful to him in the future. Members also had the opportunity to attend a variety of speaker sessions over such topics as public speaking, Finding Your Grind, and about opportunities in cyber security. Isaac Potmesil was our lone award winner with an 8th place finish in Career Exploration.

## Second Grade Classroom

By Kristin Benson

It's been a busy year in 2nd grade! We have grown in many new ways, experienced lots of new activities, and collaborated in ways that have stretched our thinking. Here are some of our favorite moments of the year!

In November we took a field trip to Stuhr Museum in Grand Island. We experienced preparations for a pioneer Christmas. The kids learned how to cook, clean, and care for the cabin on a cold, winter day. We decorated the cabin for Christmas with paper chains and popped popcorn on the wood burning stove.

We enjoyed preparing a "Taste of Christmas" event for our families in December. The students planned food, decorations, activities, and a short program. It was a great way to spend time with our families and celebrate the Christmas season!

Our "Super Bowl of Reading" event kicked off the new year in January. Students kept track of how many minutes they read and earned touchdowns for their team. As a class we earned 253 touchdowns that totaled 3,795 minutes in the month of January! We enjoyed a fun tailgate party to celebrate our reading accomplishments!

We ended March by perfecting our glue recipes in science. Students worked on creating their own glue recipe by experimenting with a variety of ingredients, temperatures, and mixtures. To celebrate, we made a simple picture frame with our glue mixtures.

The year has flown by, but it sure has been a great one!

## Independent Science Research

By Danielle Amen

The Newman Grove Independent Science Researchers (ISR) recently competed at three regional science fairs, the Greater Nebraska Science and Engineering Fair in Nebraska City, AHEC 8<sup>th</sup> Grade Science Meet, and the Northeast Nebraska Regional Science Fair in Wayne. This year there were 10 students who took part in ISR and completed their own science research. Due to such busy schedules not everyone was able to compete at all the science fairs, but they were able to ask questions, complete the scientific process, collect data, and even draw conclusions to their questions, the main reason for their research! Science Fairs can open doors to many opportunities our students have never had before, such as traveling, public speaking, sharing of research, even college scholarships and representing the United States. Below is a list of the awards received at this year's competitions.

### Greater Nebraska Science and Engineering Fair (Nebraska City)

#### Senior Division

**Cheyenne Cleland** - 1st Plant Science & \$100 United Commercial Traveler of America cash award,

**Dominik Cuevas** - Participation Biochemistry

**Sarah Johnson** - 2nd Environmental Science & Air Force Outstanding Science and Engineering Award

**Maddison Steffensmeier** - 2nd Plant Science

**Abigail Pohlen** - 3rd Environmental Science - \$40 Stockholm Junior Water Prize Award

**Elyssa Cuevas** - 3rd Environmental Science

**Morgann Johnson** - 2nd Engineering

#### Junior Division

**Addy Donelson** - 1st Animal Science

**Kevin Haase** - Jr High Overall 1st Place \$250, \$75 Gerald and Susan Wirth Award, 1st Place Plant Science

**Front Row L to R:** Kevin Haase, Addy Donelson, Morgann Johnson, Elyssa Cuevas.

**Back Row L to R:** Dominik Cuevas, Abigail Pohlen, Maddison Steffensmeier, Sarah Johnson, Cheyenne Cleland

**Northeast Nebraska Regional Science Fair (Wayne State College)**

The top 6 projects from the Junior and Senior divisions qualify to the Nebraska State Science Fair. The top ten projects received a blue ribbon. 2<sup>nd</sup> place projects received a red ribbon, and 3<sup>rd</sup> place projects a white ribbon.

**Senior Division**

- Cheyenne Cleland** - Red Ribbon Plant Science
- Dominik Cuevas** - Red Ribbon Biochemistry
- Sarah Johnson** - Red Ribbon Environmental Science
- Maddison Steffensmeier** - Red Ribbon Plant Science
- Abigail Pohlen** - Blue Ribbon Environmental Science (State Qualifier)
- Elyssa Cuevas** - Red Ribbon Environmental Science
- Morgann Johnson** - Red Ribbon Engineering

**Junior Division**

- Addy Donelson** - Red Ribbon Animal Science
- Kevin Haase** - Red Ribbon Plant Science

**Front Row L to R:** Elyssa Cuevas, Maddison Steffensmeier, Cheyenne Cleland, Mariah Dubas  
**Back Row L to R:** Dominik Cuevas, Abigail Pohlen, Morgann Johnson, Addy Donelson, Sarah Johson, Kevin Haase

**AHEC 8<sup>th</sup>/9<sup>th</sup> Grade Science Meet in Norfolk**

Elyssa Cuevas, Morgann Johnson, Addy Donelson, and Kevin Haase participated in this year's competition. This meet is unique, as it is not only a science fair but also a health science career exploration day. The students participate in various hand on activities and listen to experts in the medical field explain their careers. We will not know qualifiers for the three day UNO AHEC summer exploration camp which will include the top students from across the state of Nebraska until the middle of April. Hoping all four of our students get to experience this amazing opportunity.

## Free Water Testing for Lower Platte North NRD Residents

The Lower Platte North NRD is partnering with Newman Grove Public Schools and the Newman Grove Shell Creek Watershed Research Team to provide **FREE** water testing to those affected by the recent flooding.

The Lower Platte North NRD has partnered with Midwest Laboratories and other NRDs for the opportunity to provide this program at no cost to individuals whose private wells have been compromised by flooding. For bacteria testing, water samples **MUST** be tested within 24 hours from collection. Please contact Newman Grove Schools by **April 22nd** if you are interested in this program. Sample collection bottles can be picked up from Newman Grove Public High School on Tuesday, **April 23<sup>rd</sup>** from **8 am-3:30 pm**. The samples **MUST** be brought back to the school by **4 pm** on Tuesday, **April 23<sup>rd</sup>**. If you need assistance with sample collection, please call the Newman Grove Public High School at **(402) 447-6294** to coordinate student assistance.

## What are kidney stones?

Submitted by Teresa Wondercheck, RN  
ESU 8 School Nurse

Kidney stones are small, usually the size of a kernel of corn and a grain of salt. When your body has too much of certain minerals, and at the same time doesn't have enough liquid, these pebble-like objects can form. The stones can be brown or yellow, and smooth or rough. Both men and women can get kidney stones, but men's chances of getting them are about double that of women's. It's often hard to figure out the reason you got a kidney stone. But they are created when your urine has high levels of certain minerals. These include: calcium, oxalate, and uric acid.

Doctors break down kidney stones into types, and it's important because which kind you have could affect the treatment you get. They include: **Calcium stones:** These are the most common ones. Even just eating some foods very high in oxalates, such as rhubarb, or taking unusually high levels of Vitamin D, can boost your chances of getting this type. You could get this kind if you typically don't drink enough water or if you sweat a lot and don't replace the fluids you lose. **Cystine stones:** This is the least common type. Once you get a cystine stone, there is a chance that you may have one again. You inherit the possibility of getting them from your parents, both of whom would have to have the same type of genetic mutation. **Struvite stones:** Infections, especially in the urinary tract, can cause you to have this kind of stone. **Uric acid stones:** Eating large amounts of animal proteins can cause uric acid to build up in the urine and eventually form a stone either with or without calcium. Risk factors include gout, and diabetes.

**Passing a kidney stone** often causes pain in the lower abdomen and groin as it moves through your urinary tract. Seek immediate medical attention if you experience severe pain with fever or bloody urine. Treatment often involves medication and staying hydrated. Surgery is sometimes required if stones become lodged in the urinary tract.

**Prevention: Drink plenty of water:** You should drink at least 64 ounces of water each day. Some of that liquid can be orange juice, lemonade, or limeade. **Cut back on sodium and salty foods:** Lots of sodium can raise calcium levels in your urine. And that can cause stones to form. If you cut back on the sodium you get from food and beverages, it also will help your heart and lower your blood pressure.

**Valuation - August, 2018:** \$644,012,612

**2018-2019 BUDGET:** State Aid for the 2018-2019 fiscal year is \$24,436, a increase of \$2,036 from the previous year.

**PROPERTY TAXES AND VALUATION:** Property taxes still account for the largest share of revenue for schools. Property taxes are based on two factors: property valuation, which is set by the county assessor; and the property tax levy, which is a factor one multiplies with the valuation to come up with the tax. The Nebraska State Legislature continues to set the limit on which districts can set their levies. The limit set for the 2018-2019 fiscal year is 1.05. Some exclusions are allowed to exceed this levy lid.

After the County Assessor has certified valuation figures on August 20th, the budget is then completed and presented to the Board of Education in September for their approval. Final levy figures are then verified by the County Treasurer's office.

**BUDGET:** Newman Grove Schools has a total of seven active budgets or funds which they use during the year. They are the General Fund (which includes the Depreciation and Petty Cash Funds), Employee Benefit Fund, Student Fees Fund, Activities Fund, School Lunch, Bond Fund, and Special Building Fund. Of these, taxes are collected this year for the General, Building and Bond Funds. The remaining funds are mostly self-supporting.

**GOVERNANCE:** Governance is through an elected six-member Board of Education, with all members elected at-large for staggered four-year terms. Candidates for the Board of Education must file according to state law in Madison County, the county of record. Current officers are Jeanie McCloud, President; Scott Nelson, Vice-President; Ginger Buhl-Jorgensen, Secretary; Ryan Chilson, Treasurer; and John Krueger and Becky Wallin, Members.

**BLUEJAY FOUNDATION:** The Bluejay Foundation is a separate entity made up of the members of the Board of Education and four patrons. Officers are Renee Rose, President; Jeanie McCloud, Vice-President; and Christie Wallin, Secretary-Treasurer. The Foundation works toward providing opportunities for our students through scholarships, donations, and special projects. The Foundation is supported by tax deductible donations and fund-raising activities. No tax dollars are involved. Anyone interested in donating toward the mission of the Bluejay Foundation may contact the Central Office or any member of the Bluejay Foundation Board of Directors.
