AES Scholarship

\$500

many

Our belief is that achieving a high grade point average should not be the only criteria for determining who deserves to be helped. For that reason we are offering a scholarship that will be awarded on the basis of character, as determined by evaluated the essays that are submitted. Scholarships are intended for our future leaders across a wide spectrum of fields of study. This award is available to high school seniors and all students attending a post secondary educational facility. You are not required to be taking Engineering courses to be eligible.
