

# 2018-2019 **BCNG BOOSTER CLUB**

After much encouragement from many of you, we are inviting businesses, families, and individuals to join the BCNG Booster Club for the 2018/2019 school year! We are an active group supporting BCNG's athletics, activities and student participants. You can simply support through membership dues or embrace opportunities to volunteer as well. We welcome all levels of involvement! Your membership dues go directly back to the student participants through supporting the needs of our programs as well as awarding scholarship funds to students each year. Businesses who choose the Gold or Platinum membership will have ads featured in a new and improved program that will highlight participants in all of our sports and activities during their seasons. All other business, family, or individual memberships will also be listed in the program.
