## Board of Education Appreciation Week is January 25th-January 31st

NEWMAN GROVE SCHOOLS WOULD LIKE TO THANK OUR BOARD MEMBERS

Jeanie McCloud (15 Years)

Becky Wallin (9 Years)

Eric Stone (5 Years)

Ginger Buhl-Jorgensen (9 Years)

David Fowlkes (3 Years)

Kevin Patzel (2 Years)

FOR ALL THEIR TIME AND EFFORT IN MAKING OUR SCHOOL RUN SMOOTHLY!

“LOCALLY ELECTED, COMMUNITY CONNECTED”

If you see these people around town, please take the time to thank them for their service to the School District.

### DID YOU KNOW:

- 79% of Nebraska's 1,700 locally elected School Board Members serve at or within 100 miles of where they graduated ... with 51% serving AT the district they graduated from.
- 74.63% of school board members would you consider themselves as someone connected to/engaged in production agriculture or agribusiness
- 58% of school board members have school-aged children in K-12
- On average, a school board in Nebraska is 37% female and 63% male
- 68% of school board members in Nebraska are between the ages of 36 and 55.

Welcome back! I hope everyone had an enjoyable break, is well rested, and ready to get back into a routine. The beginning of a new year is a great time to reflect on what has been going well and also what areas we can improve on. We are looking forward to a great 2nd semester of learning and educational opportunities!

Parent teacher conferences will be held on Thursday, February 12th from 2:00-8:00 pm. K-6th grade conference times will be scheduled. This information will be coming out in the beginning of February.

HOW TO ENCOURAGE KIDS TO BE

# *intrinsically motivated*

1. Give them responsibilities you know they can handle successfully
- ★ 2. Make "effort" your expectation not perfection.
3. *Be excited for them*
4. Put their work on display ★
- ★ 5. Never compare them to others
6. *Challenge them to beat their personal best* ★
7. Do something rewarding together - like volunteering at a food bank
- ★ 8. Make sure your child feels like an important contributor to the family
9. *Visually track responsibilities*

## Measles

Measles, also called rubeola, was once a common childhood illness. It's caused by a virus that spreads easily through the air and settles on surfaces. When someone with measles coughs, sneezes or talks, droplets spray into the air. People who breathe in the droplets can catch the virus. You can catch measles if you touch an infected surface and then touch your mouth, nose or eyes. These droplets can infect other people for up to two hours.

Most people recover from measles in about 10 days. It usually doesn't cause long-term medical issues. But measles can be serious and even deadly. This is especially true for children younger than age 5 and people with severely weakened immune systems.

Measles is treated by managing symptoms and preventing complications.

A measles vaccine is recommended to keep the virus from spreading. Because of vaccination, measles hasn't been common in the United States for more than two decades. Often, measles cases in the U.S. come from outside the country. Outbreaks are more common among people who are not vaccinated.

Measles symptoms show up around 7 to 14 days after contact with the virus; Fever, which may be as high as 105 degrees Fahrenheit (40.6 degrees Celsius), dry cough, runny nose, red, watering eyes, called conjunctivitis. About 2 to 3 days after the first symptoms, you also may see tiny white spots inside the mouth, called Koplik spots. About 3 to 5 days after symptoms first start, or about 14 days after you come into contact with the virus, it's common to see a rash. The rash is made up of large, flat spots and small raised bumps. The rash starts on the face or neck and spreads down the body from the chest to the arms and legs. A person with measles can spread the virus four days before the rash appears and four days after. Measles can spread very easily. About 90% of people who haven't had measles or haven't been vaccinated will become infected when around someone with measles

Call your healthcare professional if you think you or your child may have been around measles. Also call if you or your child has a rash that looks like measles. Check your family's vaccination records with your healthcare professional. This is most important before children start childcare, school or college, and before traveling outside of the U.S. It is important to call your healthcare provider first before going to the clinic, so they can prepare for you so not to expose other people.

Your risk of measles goes up if you aren't vaccinated. Your risk also goes up if you've had only one dose of the vaccine. People who travel to places where measles regularly spreads or where there is a measles outbreak are more likely to get the illness. This is especially true if you haven't had two doses of the measles vaccine.

Students living in dormitories may be at higher risk. People with weakened immune systems are at higher risk of catching measles. And infants who aren't old enough to get the vaccine are at higher risk than average if exposed to measles virus.

## NG/SE Bowling

By Jason Anderson

The Panthers faced Norfolk Catholic on December 16th It was to be a home meet but due to plumbing issues at the bowling alley the meet was moved to Kings Lanes in Norfolk. The girls had a tough go at it and came up short and fell to Norfolk Catholic 19 to 2. The boys also had a rough go only getting 1 point to Catholic's 20 points.

Our next meet took place in Newman Grove on January 6th against McCool Junction. The girls did well winning the meet 21 to 0. The boys on the other hand had another hard time this meet with a loss of 18 to 3.

The Panthers traveled to Osmond on January 13th, where we bowled against Plainview. The ladies kept it interesting in the Baker's games, where if they would have lost those games the meet would have been a tie but they held out and won the meet 15.5 to 5.5. The boys had another tough go falling to Plainview 18 to 3.

On the 15th of January we traveled to North Bend. The girls won the Baker's game to earn the 5 points to make it not as bad as it could have been. The final score was North Bend 12.5 to NG/SE 8.5. The boys did better getting 5 points vs North Bend's 16 points.

Happy New Year! Students have been working hard to get back into the routines of school. I am thankful that I get to work with a variety of students in Kindergarten through Sixth Grade each day. I mostly work with students during our WIN TIME; WIN stands for What I Need time. During this time, we have a variety of different groups in each grade level working on improving and strengthening their reading skills.

Children need many opportunities to practice reading for it to become automatic. We allow extra opportunities for students to practice reading skills at school each day. Reading at home is also such a key piece to building confident, fluent, and strong readers. Below are a few ways to help support your child while reading at home.

**Ways to support your child while reading at home:**

<p><b><i>Show Interest:</i></b></p> <p>Showing genuine interest in what your child is reading is a simple form of encouragement for them.</p>	<p><b><i>Sit &amp; Listen:</i></b></p> <p>Rather than just telling your child to go and read for a certain amount of time, take the opportunity to sit and listen to your child read.</p>
<p><b><i>Ask Questions:</i></b></p> <p>Ask your child questions and have conversations during and after reading. Doing so is a form of showing interest, allows them to create dialogue, and builds comprehension.</p>	<p><b><i>Praise Them:</i></b></p> <p>Give praise at every opportunity! From sounding out a word correctly, to making connections, to completing a book. Praise builds confidence that is invaluable!</p>

**Thank you for partnering with us to help your child/children be successful readers!**

## NG/SE Junior High Girls Basketball

By Halle Plumbtree

The Lady Panthers Junior High Basketball team had a season full of growth and effort. From the very beginning, the girls always showed up ready to work, learn, and get better every day.

Throughout the season, the Lady Panthers grew tremendously as players and as a team. They fought hard each and every day to expand their knowledge and skills of the game of basketball, whether it was improving fundamentals or supporting each other on the court. Their determination and positive attitudes were clear in every practice and game.

More than anything, this season was about teamwork, perseverance, and having pride in how they competed. The Lady Panthers should be proud of the progress they made and the effort they gave all season long. The Lady Panthers ended up 2-5 on the season.

### NG/SE vs. Elba 1/6/26

The Panthers opened their season hosting the Elba Bluejays. It started the night of a triple header, as the varsity girls' and boys' teams also played host to Elba. The Panthers jumped out early and never looked back. Offensively the Panthers looked to run and get as many points in transition as they could. Defensively they relied on playing sound, fundamental defense and boxing out for rebounds. Although undersized, the Panthers battled for the boards. With constant transition buckets and solid defense, the Panthers were able to gain the victory 51-17. The Panthers were led by Morley Warren who scored 30 and Cash Sweeter chipping in 9 of his own.

Team	1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4 <sup>th</sup>	Total
NG/SE	16	8	14	13	51
ELBA	5	4	8	0	17

Scorers: Jace Forre 2, Brandtley Christman 4, Cash Sweeter 9, Morely Warren 30, Bennett Werts 2, Everett Nelson 2, Owen Flood 2

The Panthers and Bluejays also played a couple quarters of B action. They played two 10 minute halves of running clock. It was a fast paced, entertaining 20 minutes of basketball. This gave both teams the opportunity for players to get some extra playing time and refine their skills. It was a back and forth game that ended in only the most fitting of ways, a tie. The Panthers and Bluejays tied 6-6 to begin the B season.

Team	1 <sup>st</sup>	2 <sup>nd</sup>
NG/SE	4	2
ELBA	2	4

Scorers: Brandtley Christman 2, Zaiden Shotkowski 2, Liam Wiese 2

### NG/SE vs. Palmer 1/12/26

The Panthers started the second full week of January with another home game against the Palmer Tigers. Although Palmer had a distinct size advantage, the Panthers looked to use their quickness and defensive tenacity to stifle the Tigers. Out the gates earlier, the Panther game plan was in full force as they jumped out to a 12-0 lead after the first quarter. The Panthers lulled in the second quarter getting outscored 6-3 because of poor execution on the offensive end and not boxing out on the defensive side of the ball. The second half was foot on the pedal for the Panthers as they outscored the Tigers 34-8. Ball movement, transition offense, and hot shooting propelled the Panthers offense while their defense was everywhere all at once. The Panthers won the game 49-14 and were led by Cash Sweeter with 23 points and Morley Warren adding 14. The Panthers are back in action Thursday January 15<sup>th</sup> as they travel to Howells-Dodge.

Team	1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4 <sup>th</sup>	Total
NG/SE	12	3	15	19	49
PALMER	0	6	4	4	14

Scorers: Jace Forre 3, Cash Sweeter 23, Morley Warren 14, Liam Wiese 2, Everett Nelson 4, Owen Flood 3

The Panthers and Tigers played a couple quarters of running clock for a B game as well. This again gave both teams an opportunity for all the boys to get some quality playing time and work on their skills. It was a back and forth game, that was highly entertaining during the total 20 minutes. Unfortunately, the Panthers came up just short, dropping the contest 14-11.

Team	1 <sup>st</sup>	2 <sup>nd</sup>	Total
NG/SE	6	5	11
PALMER	8	6	14

Scorers: Brandtley Christman 2, Bennett Werts 4, Eric Vargas 3, Everett Nelson 2

### NG/SE vs. Howells-Dodge 1/15/26

The Panthers traveled to Howells to take on the Jaguars for a prime time tip. After the B game, the A team took to the court. The Panthers started slow, finding themselves in a six point deficit after the first quarter. This was due to poor defense and not taking care of the ball on offense. After the sluggish start, the Panthers roared to life and were able to cut the halftime lead to only three. The Panthers defense took hold in the third quarter and the ball began to find the bottom of the bucket on offense. The game came down to the wire, with the Panthers having to make one last defensive stop to secure the three point victory. Morley Warren paced the Panthers with 17 points and Cash Sweeter added 14 of his own.

Team	1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4 <sup>th</sup>	Total
NG/SE	5	10	14	9	38
HOWELLS-DODGE	11	7	7	10	35

Scorers: Jace Forre 3, Cash Sweeter 14, Morley Warren 17, Bennett Werts 2, Owen Flood 2

The B team got the night started against Howells-Dodge. They were able to play three full six minute quarters. It was tough sledding for the players. Offensively they were getting good shots but none of them were falling. Defensively they were unable to get a stop when needed and were struggling to keep the Jaguars off the boards. It was not the greatest outing for the Panthers.

Team	1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	Total
NG/SE	4	2	7	13
HOWELLS-DODGE	10	12	10	32

Scorers: Brandtley Christman 4, Liam Wiese 2, Bennett Werts 2, Everett Nelson 5

## 2026 Lions Club Alumni Basketball Tournament

The Newman Grove Lions Club will again be hosting an Alumni Basketball Tournament, March 22nd. Rules are the same as in past years. (Spouses of Alumni will be allowed to play in the tournament.) All players must be former Newman Grove School students, but do not have to be graduates of Newman Grove. There are no team entry fees, but all players are expected to pay the regular \$6.00 adult admission price each day. One women's game is planned for Saturday. Remember, your team must have at least five players on hand to start a game! Team entries should be received by February 9, 2025. They will draw for team placement in the brackets the second week of February and announce the schedule after February 16th. **Please contact Dennis McCloud (741-2058), Gene Wissenburg (750-1796), Spencer Wallin (741-2499) and Tim Rossow (992-8438) with your team plans.**

**Thank
